AIR RESCUE COMMISSION RECOMMENDATIONS 1990

For PREVENTION, we recommend to:

- Wear bright colored clothes.
- Use the „V“ sign in case of distress.
- Use the „NO“ sign if you need no assistance.
- Secure any possible flying objects.
- Do not move until ordered by rescuer (s).
- If someone is going for help, **stay where you are!**
- If you are above a rescue operation, **don` t move!** You may dislodge debris!
- All non participating aircraft **must stay away from rescue operation site!**
